MARILYN MONROE

A mannequin with a blond wig and a white dress, men in suits walking around, their heads spinning to watch her. Our window dresser turns on a fan that makes her dress fly. Obviously reminding us of the famous Marilyn Monroe scene.

KATY PERRY - CANDY WORLD

The mannequins are in a crazy bubble gum world. It's all clouds, fluffy, candy. It's extravagant. All the mannequins are in intense dance postures, some in the hair as if they were dancing and flying. The guys pulls a string, and a « Candy cool » sign comes in, in the shape of a pink cloud, and balloons of all colors fall from the ceiling.
